## Literature Circles Discussion Rubric

I have read to page \_\_\_\_\_.

I have completed a journal response.

I have completed \_\_\_\_\_ role.

Criteria	Excellent	Acceptable	Not There Yet
Completed Reading	I read it with time to reflect and re-read if needed.	Not applicable. You either finished the reading or you didn't!!!	I did not finish reading the whole assignment.
Completed Role	I included lot of details and good ideas.	I have ideas but I could have added more details	I got a start but I needed more time
Participated in Discussion	I shared my ideas and answered questions with enthusiasm.	I did some talking but could have added more ideas.	I would have liked to add more but my tongue was not working
Included Others	I made sure everyone participated and received encouragement when I did my role	Most people got a chance to answer my questions. I will remember to encourage more next time.	I needed to ask everyone questions. If I had been more encouraging people would have participated.
Good Group Member	I controlled my noise level and stayed on task	I was on task most of the time and I was almost there when it came to noise level.	Sometimes I was off topic and needed to work on the volume of my voice.
